

## ACTION REQUIRED:

# Sign Up to Keep Your Account Preferences

You will need to sign up for the following programs with Delta Utilities:

**Online Account Management:** If you previously used myEntergy to manage your utility service, you will need to re-enter your information for online account management at myDU.com.

**Paperless Billing & Notifications:** Receive an electronic bill for faster bill notice and save money on postage.

**AutoPay:** Have your natural gas bill automatically deducted from your bank account, avoid writing checks, and easily make on-time payments every month.

**Levelized Billing:** Control your budget and avoid unexpected expenses with a consistent natural gas bill each month. This program averages your natural gas usage over a rolling twelve-month period to determine your natural gas payment.
